LAWRENCE AREA SCHOOL

CODE OF CONDUCT

Lawrence Area School is a warm friendly place to attend; students are both helpful and caring. The Code of Conduct is based on our school values and input from the whole school community.

Whakaute – Respect

Treat people the way you would like to be treated and
look after our school environment.

Kawenga - Responsibility

Be on time for school, in correct uniform and fully prepared for each day.

Manawa – Motivation

'Strive to Excel' – Always try your best.
Make the most of every opportunity: Academic, Cultural and Sporting.

Pononga - Honesty

Always be truthful – even when it is hard.
Do what is right – even when no one is looking!

Wherever possible, staff will recognise and reward the school values in action. This includes 'Student of the Week' class awards celebrated in weekly assemblies and in newsletters.
